## **To Be Continued..., Part 2: The Big Idea**

**Description:** So you've been redeemed. Now what? To answer that question we have to explore the dual intent of Jesus' grace: Redemption & Transformation. Jesus didn't come to harm us. He came to save us. God's grace is an extraordinary intervention to anyone's story. When we don't allow him to use our redeemed story then there is a loss.

**Bottom Line:** Jesus wants to use your redeemed story to introduce his grace to others.

### **Discussion Questions:**

1. Describe a time when the outcome of a situation was different than what you expected.
2. Why is there such temptation to judge a story before it ends? Describe a person who you thought was headed in the wrong direction, but were surprised to hear that they ended up with a successful life? What supporters did they have? What role, if any, did you play in their success?
3. **Read Matthew 5:42-44.** How do you feel about the verse "love your enemies"? Do you find it difficult to do this? Why?
4. **Read Romans 10:15, John 10:16, John 14:12.** According to Scripture, what is our role as followers of Jesus?
5. How has grace transformed us and enabled us to fulfill these roles?
6. What has been the most helpful thought/idea from the message this week? How has that thought/idea helped you?
7. How can the group encourage you this week?
