

## **Pt. 2: Bring It; Today Matters**

There are lots of things that find their way into the days of our lives, that if we are not careful, they will steal our days right out from under our nose. Many times, the choices we have to make in life are not between the good and the bad, but between the good, better, and best. Jesus wants the best for you. Through his word, he gives us a path to live everyday of our life in the best way possible.

Bottom Line: God desires us to have faith over fear.
